DEPARTMENT OF PUBLIC UTILITIES

NOTICE OF FILING AND PUBLIC HEARING

D.P.U. 17-179

April 19, 2018

Petition of the Town of Millis for approval by the Department of Public Utilities of a municipal aggregation plan pursuant to G.L. c. 164, §134.

On December 22, 2017, the Town of Millis (“Town”) filed a request with the Department of Public Utilities (“Department”) for approval of a municipal aggregation plan pursuant to G.L. c. 164, § 134. General Laws c. 164, § 134 authorizes a municipality to procure electric supply on behalf of consumers within its municipal borders through a municipal aggregation program. Eligible electricity consumers not already enrolled with a competitive electric supplier would be automatically enrolled in the municipal aggregation program unless they chose to opt-out, in which case they would continue to receive basic service provided by their electric distribution company, NSTAR Electric Company, d/b/a Eversource Energy. The Department docketed this petition as D.P.U. 17-179.

The Town has retained Good Energy, L.P. (“Good Energy”) to serve as its agent in this proceeding and to assist in the implementation of the municipal aggregation program. The Town seeks a waiver on its own behalf and on behalf of the competitive electric supplier(s) chosen for the municipal aggregation program, of certain information disclosure requirements contained in G.L. c. 164, § 1F(6) and 220 CMR 11.06(4)(c).

A copy of the Town’s petition is available for public viewing during regular business hours at the Department’s offices, One South Station - 5th Floor, Boston, Massachusetts 02110 and on the Department’s website at <http://www.mass.gov/dpu>.
