

Scrap Metal/Electronics Drive

To Support Millis Cub Scout Pack 115

April 27th, 2019 - 900 Main Street, Millis - From 9am to 1pm *Rain or Shine*

We will accept almost all types of scrap metal i.e. Copper, Aluminum, Brass, Lead, Iron, & Steel.

We will accept treadmills, stoves, dishwashers (at discretion), lawn mowers, old grills, etc.

Local Pick-up - We ask for a \$10 Donation.

Medway, Medfield, Sherborn, Franklin pick up - We ask for a \$20 Donation.

EXCEPTIONS: We CANNOT take:

1. Pressurized cans/containers of any kind. 2. Microwaves 3. Photovoltaic cells. 4. Anything containing Freon.

TV's: Flat Screen up to 55" or Tube up to 32" there is a \$40 charge.

Computers: All computers, fax machines, printers, etc., there is a \$15 charge each but a household cap of \$45. In most cases I can remove the hard drive and return to you on the spot but I have had difficulty with some Apple products in the past.

As always, we are happy to take scrap metal from anyone, from any community. This fundraiser has generated close to \$3000 in the past for different Millis organizations. Thanks to the Millis community, Millis DPW, Millis Board of Selectman and the surrounding communities for your continued support.

If you have any questions or concerns or to setup an item pick up, please call Paul Sims @ 508-613-5915. You can also email me at wwc.psims@yahoo.com
