

Look Ahead View for March 15th, 2018

Foundations Continuing

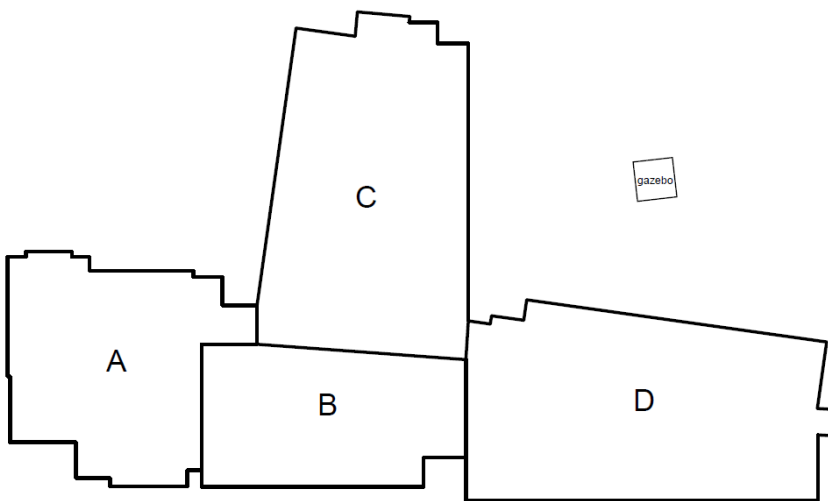

The foundation work continues to be on schedule and much of the A Wing is complete. The diagram below, of the new school, separates the building into four wings.

The **A Wing** includes the Cafetorium (combined cafeteria and after-hours meeting room space), Administration, Kitchen and Maintenance.

The **B Wing** includes the Gym and Music space.

The **C Wing**, the two-story portion of the building includes Pre-K through 2nd grade class space.

The **D Wing**, at the 2nd story level, includes 3rd, 4th and 5th grade space.

As one wing is finished, the crews move on to the next wing and more footings and foundations will be poured. Backfill of the finished foundations will follow. Look for structural steel deliveries starting mid-April with a crane to move the steel. Pictures of work progress follow.

Look Ahead View for March 15th, 2018

MSBA

Last week, three members of the MSBA, our State funder, attended their first construction meeting. They also toured the site to view the progress. They will continue to attend meetings monthly.

Project Team

Meet the first three members of the Project Team. Snow had not arrived and it was a beautiful day for a site tour. From the left, Diane Jurmain, Vice Chair of the ESBC, Jen Littlefield, Associate from Tappe´ Architects and Julie Allen, Project Manager from Agostini-Bacon Construction.

Guaranteed Maximum Price (GMP)

The Board of Selectmen approved the GMP at their February 26th meeting.
